PERMIT
FOR MOVING A STRUCTURE/EQUIPMENT
OVER COUNTY ROADS

1. Authorization is hereby granted to:

_____ (Name)

_____ (Firm), _____ (City)

hereinafter referred to as the "**MOVER**" to move a

_____ (Type of Structure)

over the Van Wert County Road System by the following described route:

(See attached sheet if required)

- a. This permit expires ten (10) days from date of issuance.
2. The Mover shall at all times while the structure is upon said roads insure:
 - a. Compliance with all State laws and local regulations affecting the moving of structure and affecting the safety of the public.
 - b. Accomplishment of the moving in such manner as least obstructs vehicular traffic.

- c. Provision for flagmen, warning signs, reflectors, lanterns and other safety devices to the satisfaction of the County Engineer.
3. Alterations and moving of electric and telephone lines that the Mover may determine to interfere with the moving will be done by the utility concerned. The Mover shall make his own arrangements in advance of the actual moving with the utility concerned for such alterations.
 4. No expense whatsoever shall be assumed nor incurred by Van Wert County nor the County Engineer by the granting of this permit.
 5. The Mover shall be liable for any and all damage to persons and property arising from the Mover's negligence and the Mover shall indemnify the County and the County Engineer from all claims, suits and damages due to any act or omission of the Mover.
 6. This permit **DOES NOT** apply to the roads of the State Highway System.

Kyle J. Wendel, P.E., P.S.
Van Wert County Engineer
